The screenshot shows the homepage of Social Media Examiner. At the top, there's a navigation bar with links for HOME, FREE UPDATES, PODCAST, CONFERENCE, SOCIETY, EVENTS, REPORTS, STARTING, and ABOUT. A prominent banner features a cartoon explorer character and the text 'Social Media Examiner - Your Guide to the Social Media Jungle'. To the right, a sign reads 'Social Media Examiner Presents Social Media Marketing World SAN DIEGO' with a 'CLICK TO LEARN MORE' button. A red starburst in the top right corner says 'Save \$600 Sales Ends Friday!'. Below the navigation, a main content area is titled 'We Suggest The Following Social Media Events/Conferences...'. It includes a sub-headline 'Are you looking to take your social media learning to the next level?' and a paragraph: 'This page contains social media marketing events and conferences you might be interested in:'. A 'RECOMMENDED' section highlights 'Social Media Marketing World 2017' (March 22-24, 2017, San Diego, CA) with a small image of the event logo. The text describes the conference as an opportunity to learn from industry leaders and network. A video player is embedded below the text, showing a man smiling. To the right, a sidebar contains a 'Browse Categories' search bar, a 'Want your event listed here?' section with a form for email and name, and a 'Join 520,000+ of your peers!' section with a similar form. At the bottom of the sidebar, there are promotional banners for 'SOCIAL MEDIA MARKETING WORLD' (with a 'SALE ENDS FRIDAY! SAVE NOW!' button) and 'Download Social Media Marketing Industry Report'.

9th Social Media in the Pharmaceutical Industry (January 18-19, 2017, London, United Kingdom) Learn how best to harness new technology and how to develop a robust digital strategy from speakers including Pfizer, Lundbeck, MSD, MHRA, GE Healthcare, Creation Healthcare, etc. as they explore current and future trends, as well as top tricks of the trade, from identifying influencers and monitoring data on a global scale. View the full conference agenda and [register here](#).
